The Association will assess your application and inform you in writing of the decision and providing permission granted, provide you with an identity tag for your pet.. When considering the application cognizance will be taken of the size and type of pet and its suitability to the property where it is to be housed. If permission is granted to keep a pet is on the understanding that the pet has been identity micro chipped and the resident keeps the pet under control and does not allow the animal to cause nuisance or annoyance to neighbours or workpeople carrying out Association duties. The resident must not allow the animal to foul the garden, any common areas of ground, stairways or paths within the Associations buildings.

Tenants are allowed to keep a maximum of two pets per household, subject to the above conditions.

No resident must keep more than one dog or cat without prior permission from the Association.
